**Thank you for choosing Courgette for your next event.
Courgette has recently undergone renovations and we are proud to offer you one of four beautifully presented rooms for your next lunch or dinner.**

The Cellar Room (fully private) This room is licensed to seat 8-10 guests.

Surrounded by over four hundred different bottles of wine, our cellar room is immaculately presented and waiting for you to impress clients, friends or family.

The Boardroom (fully private) This room is licensed to seat 14-20 guests.

If you have business to conduct or a message to convey over a power lunch or dinner then the Boardroom is designed for you. We also have a data projector and screen available for a \$50 hire fee.

The Glass room (semi private) This room is licensed to seat 22-33 guests.

For a medium to large size group this room has glass walls with wood panelling and a custom glass feature wall to give this space a nouveau feel.

The Garden Room (semi private) This room is licensed to seat 34-45 guests (\$4500 minimum spend requirement)

This is Courgette's most desirable dining space for large groups.

Looking out onto our beautiful maple tree garden, it is the perfect atmosphere for celebrations and larger functions.

This room is licensed to seat 34-42 guests.

Please Note:

To secure the private areas the minimum amount of guests per area will be charged at the price per head for the food component (excluding Garden room reservations) for either lunch (\$66p.p) or dinner (\$88 p.p).
